Feeding guidelines Appetitt Lunch is a very tasty wet dog food with a relatively high protein-to-fat ratio. It can be used as your dog's sole source of nutrition or in combination with dry food for dogs that need extra protein. The food is very tasty and works well as an appetite stimulant. Appetitt Lunch can be fed to dogs with a normal activity level according to the following recommendations.

BODY WEIGHT (kg)	DAILY AMOUNT (g)
5	470
10	790
15	1070
20	1325
25	1570
30	1800
40	2230
