Meat and animal byproducts (chicken, pork, beef, turkey), fish and fish byproducts, animal fats, minerals, vitamins, rice.

## Feeding guidelines

Appetit Energy is a very tasty supplementary food that can replace up to 20% of daily dog food intake (based on weight). Appetitt Energy is a supplementary food for dogs and should not be your dog's only source of nutrition. Its use is recommended in combination with high-calorie dry food for dogs that need extra energy, e.g., hunting, during strenuous training periods, and during sled dog races. This wet dog food can also be used for dogs that need to gain weight. Serve at room temperature.

## Storage:

Store in a cool, dry place. Store the opened package at a maximum of 5°C and use within 2-3 days.

## Net weight:

150 g.

## Best before and batch number:

Printed on the tray.

Recycled as metal.
