

APPETITT LIGHT

Complete wet food for adult dogs from 1 year of age who easily gain weight.

Appetitt Light is wet food adapted for adult dogs that easily gain weight. The food has a moderate fat content to help control the dog's energy intake (Metabolizable energy, (FEDIAF 2024), 1110 kcal/kg). This wet food contains only animal protein ingredients and no grain raw materials. The food contains no artificial preservatives, flavorings, colorings, or added sugar.

For dogs that easily gain weight, it is important to control their daily intake of food. Be careful with snacks and other foods that can increase their daily calorie intake. Additionally, the wet food can be used as a treat or reward during training sessions, ensuring your dog stays motivated without compromising their diet.

With a balanced vitamin and mineral content, it is a complete food for adult dogs and can also be used in combination with dry food.
